Application process

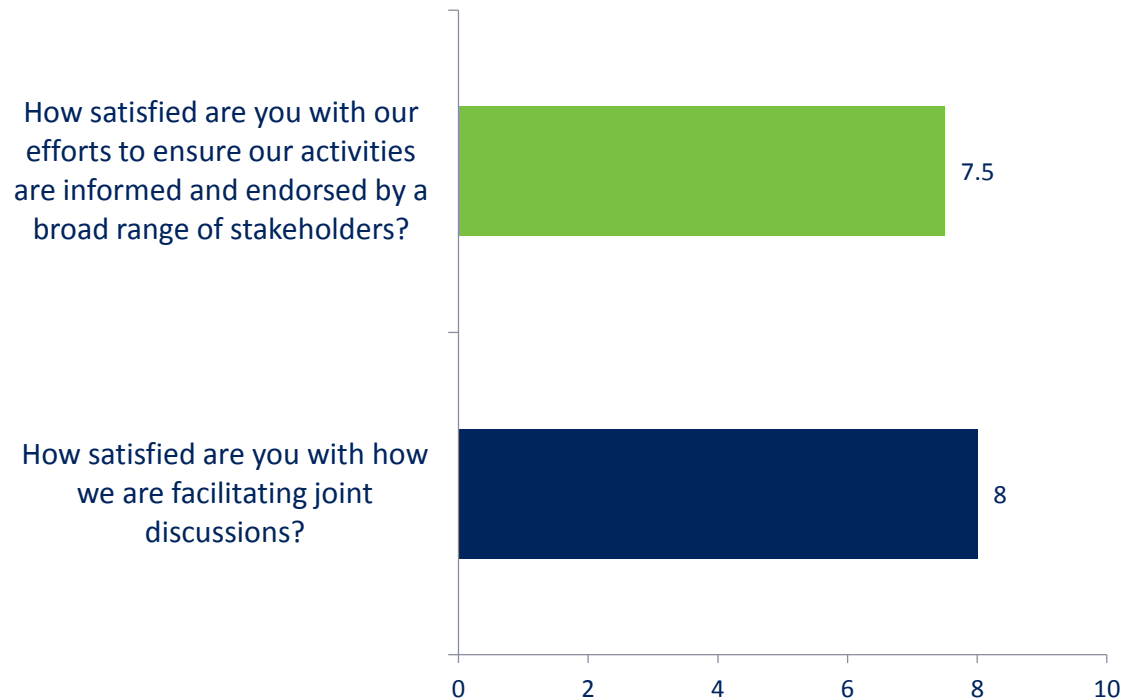

- Stakeholders mainly rated our plans as ‘good’ or ‘very good’
- Additional suggestions included: Richer level detail on post acceptance process, developing battery storage solutions and accompanying regulatory framework and greater flexibility
- Stakeholders also thought our plan ‘partly’ addressed concerns about curtailment

## How informative was the workshop today?

Very useful session. Thank you

## How did you find today's event?

I think there should be more focus on factors that affect overall project delivery i.e. legals, variations to connection cost
